---

Petitioner Orlando Lewayne Pilcher, a prisoner at the Federal Correctional Institution in Oxford, Wisconsin, has submitted a proposed complaint. He asked for leave to proceed *in forma pauperis*, and in this court's January 29, 2009 order, I assessed him an initial partial

payment of \$5.76. Now, in a motion dated February 17, 2009, petitioner asks for an extension of time to submit his initial partial payment because he has had some difficulty getting prison staff to process his request to withdraw funds. I will give petitioner additional time to submit his initial partial payment, and I note that should he encounter any more difficulties with request to withdraw funds, he is encouraged to show a copy of the court's January 29, 2009 order to prison officials to insure that they are aware they should send petitioner's initial partial payment to this court. Accordingly, IT IS ORDERED that petitioner's motion for an extension of time to submit his initial partial payment is GRANTED. He has until March 11, 2009 to submit his initial partial payment.

Entered this 3<sup>rd</sup> day of March, 2009.
